NOTES

1. Allowances are based on local arrival report times as per Winter 09/10 schedule and agreed BTRT averages where apllicable.
2. Please note for local currency conversions to USD, PIE is not part of the allowance conversion. PIE ($16.00 x however many nights) is added to the conversion afterwards. (ie Allowances x Ex-rate + PIE = Expected load to card) PIE is paid in either USD or GBP.
3. Please use the Multi-Trip Calculator * Caribbean trip patterns allowances are calculated depending on the times of your postioning or dead-heading flights, if applicable. For example if your POS flight leaves/arrives in a different meal allowance band, then the calculated allowances will differ.
4. Allowance Meal Time Bands:- Breakfast: 00.01-12.00, Lunch: 12.01-15.00, Dinner: 15.01-00.00
5. HAV Allowances to be collected at Travelex T3 Airside, prior to departure.
